

# COLORADO RV SERVICE

## RV Roof Service Packages

**"RV ROOF PROBLEMS START SMALL... AND GET EXPENSIVE FAST"**

---

**Most RV roof leaks start as small sealant failures you can't see from the ground. By the time you notice water inside — the damage has already spread.**

### **ROOF CHECK - \$149**

**Know what condition your roof is in before it becomes a problem**

- ✓ Full visual roof inspection
- ✓ Check all seams, vents, AC, skylights & penetrations
- ✓ Identify cracked, lifted, or failing sealant
- ✓ Soft spot & early moisture warning check
- ✓ Condition report + recommendations

 **Best for:** Seasonal checkups & pre-trip inspections

### **ROOF PROTECT (*MOST POPULAR*) - \$349**

**Stop small problems before they turn into leaks**

- ✓ Everything in Roof Check
- ✓ Minor sealant touch-ups in vulnerable areas
- ✓ Reinforcement of early failure points
- ✓ Spot cleaning of service areas
- ✓ Extended condition evaluation

 **Best value for most RV owners:**  Prevent leaks before they start

### **ROOF DEFENSE - \$799+**

**Maximum protection against costly water damage**

- ✓ Everything in Roof Protect
- ✓ More extensive sealant correction
- ✓ Roof conditioning treatment (when applicable)
- ✓ Detailed seam & transition protection
- ✓ Higher-level preventative service

 **Best for long-term protection & peace of mind**  Designed to reduce risk of major repairs

**A \$349 service today can prevent a \$5,000 repair tomorrow.**

	CHECK	PROTECT	DEFENSE
Full Inspection	✓	✓	✓
Sealant Touch-Ups	—	✓	✓✓
Preventative Work	—	✓	✓✓✓
Roof Conditioning	—	—	✓
Leak Prevention	Basic	Strong	Maximum

**A small crack in sealant can lead to:**

- Ceiling stains
- Soft / rotting roof decking
- Mold and odor
- Wall delamination
- Structural damage

#### **THE TRUTH MOST RV OWNERS DON'T HEAR**

- Roof sealant does **NOT last forever**
- Sun, snow, and Colorado weather break it down fast
- Most leaks start **long before you see them**
- Once water gets in — damage spreads quickly

#### **WHY PREVENTATIVE ROOF SERVICE WORKS**

- ✓ Catch problems early
- ✓ Seal weak points before failure
- ✓ Extend roof lifespan
- ✓ Protect resale value

#### **ADD-ON SERVICES**

- Full roof reseal
- Roof wash & treatment
- Skylight reseal
- Vent reseal
- Leak diagnostics
